

# GRAPHOSITE Open Day Workshop 2020

## 1<sup>st</sup> Announcement

The GRAPHOSITE Project Partners are pleased to announce their 2<sup>nd</sup> Open Day Workshop.

**Location:** Robinson College, Cambridge

**Date:** 17 November 2020

We would like to invite you to come as our guest and participate in the workshop related to use graphene in composite materials applications. This workshop is linked to the **GRAPHOSITE project Open Day and Exhibition**, which is taking place at **Robinson College, in Cambridge, UK** on the **17<sup>th</sup> November 2020**.

The **GRAPHOSITE** ([www.graphosite.co.uk](http://www.graphosite.co.uk)) is a 30-month project funded by **Innovate UK** (Project Ref. 104266), which started on the 1st August 2018. The main objective of the project is to develop a **Graphene Sensor for Defect Detection and Predictive Maintenance in Composite Materials** for use as a highly efficient, more convenient composite monitoring tool. This technology is based on an enhanced graphene-substrate interaction, with the ability to embed within a composite structure.

The GRAPHOSITE Open Day Workshop will be a great opportunity to learn about the **GRAPHOSITE** project results, meet their partners and learn about their products and services.

The **1<sup>st</sup> GRAPHOSITE Open Day 2019 Workshop and Exhibition** was held on 20th November 2019, at the Plenary Suite at Crausaz Wordsworth Building - Robinson College, Cambridge. Over 50 people attended this event. Companies attending the GRAPHOSITE meeting included leading multinational companies such as *Rolls Royce, BAE Systems, BT, Schlumberger, Marshall Aerospace and Defence Group, Prysmian Group, MBDA, ARUP, among others. There were also a number of representatives from SMEs and leading universities and research centres in the area of the project such as Reflex Imaging, Teledyne CML Composites, University of Cambridge, University College London, University of Surrey, LEITAT etc.*

Participation to this event is free, but registration is required. If you are interested in attending, please send an email requesting a registration form to: [info@graphosite.co.uk](mailto:info@graphosite.co.uk) or [info@cnt-ltd.co.uk](mailto:info@cnt-ltd.co.uk) or download it from the Project website: [www.graphosite.co.uk/workshops/](http://www.graphosite.co.uk/workshops/)
